About the Line

There's nothing scary about Teresa Kogut's designer fabric collection *Bittersweet Farm*. Featuring a gourd-egous palette of cornsilk, harvest gold, squash, and midnight Teresa's original watercolor artwork ushers in the fall season. Mister scarecrow and his friends have done their job to protect the crop while making friends with those pesky little critters. You will fall in love over and over again as you create fall quilts and home décor projects. Make yourself a pumpkin spice latte and enjoy leaves, acorns, sunflowers, and other fall icons that make up this beautiful collection.
