

List of Retiring Patterns 2021

The below listed patterns are “retiring” meaning they will no longer be sold to shops or in our Etsy shop as **physical** patterns. They’ll **eventually** be available as PDF downloads from our Etsy shop www.etsy.com/shop/teresakogut

If you’re wondering why we’re retiring so many patterns, it’s because we’re running out of space in the studio for inventory. We’re making room for new designs 😊
Thank you for your understanding.
