stitch count 266 x 315

28 count - 19 x 22 1/2

30 count - 17 3/4 x 21

32 count - 16 5/8 x 19 3/4

36 count - 14 3/4 x 23 1/2

40 count - 13 1/4 x 15 3/4

46 count - 11 5/8 x 13 3/4

56 count - 9 1/2 x 11 1/4

I recommend using overdyed floss as much as possible because of the variegation. There isn't a perfect DMC match for some of the overdyed floss.

Keep in mind, dye lots for overdyed floss can change over time so you may need to use DMC in order for your piece to look like the model.

There are so many elements in this sampler for stitching smalls!
